

## 2022 National Hispanic and Latino Executive Leadership and Fellowship Program

**Please apply to be part of this incredible opportunity:**

The 2022 National Hispanic and Latino Executive Leadership and Fellowship Program is a leadership development program designed to help entry-level to mid-level career leaders/managers become great leaders in their field.

The program focuses on leadership capacity building offering behavioral health leaders the opportunity to discover and expand their leadership strengths and be better prepared when new and greater opportunities come up.

The goal is to increase the participants' leadership skills to not only to become effective and transformational leaders and but also to build upon strengths and talents to further their leadership capacity in order to pursue executive-level leadership positions in behavioral health and integrated health settings.

Please use the following links to learn more about the program and to complete your application:
